This is a dual track course your options are:

Track 1 LEAVE NO TRACE LEVEL 1 INSTRUCTOR COURSE for registered Scouts and Scouters age 18 and older who want to become certified instructors of Leave No Trace. Our hybrid course includes 2 hours of on-line instruction, preparing and giving a 10-15 minute presentation on an approved Leave No Trace topic of your choice, a 16 hour outdoor weekend (8 am Saturday through 1 pm Sunday) which includes a camping overnight and in camp cooking. Certified Level 1 Instructors may staff future Level 1 courses, lead and submit for Certificate of Completion future Skills courses, and conduct any Leave No Trace Basic (formerly LNT 101), or leave no trace awareness workshops.

Or

Track 2 **NEW!!** LEAVE NO TRACE SKILLS COURSE a 16 hour hands on course for Scouts First Class and age 12 or older and registered Scouters who want to become more proficient at Leave No Trace. This is an excellent course for Outdoor Ethics Guides and will fulfill requirement 6 of the National Medal of Outdoor Achievement. Certificate of Completion in the Skills course prepares you to conduct the Leave No Trace Basic (formerly LNT 101) and any Leave No Trace awareness workshops including satisfying requirement 5 of the Outdoor Ethics Awareness Award, but does not authorize you to issue Certificates of Completion.

We must have at least 4 registrants in the Level 1 track in order to certify registrants as Level 1 Instructors; the weekend is limited to a total of 20 participants for both tracks.

Check-in is 7:30 am Saturday, May 18, 2024 at Dog Patch in Camp Herms (El Cerrito, CA). The course will run from 8:00 a.m. Saturday, May 18 through 1 pm Sunday, May 19, 2024.
